[Eton Institute's 4th Anniversary Celebrations Attract Over 500 Attendees Benefiting from Massive Discounts and Exciting Prizes:](#)

Dubai, 15 March 2010 – Eton Institute marked its 4th anniversary on Thursday the 11 March 2010, with over 500 attendees visiting the Institute to take advantage of up to a 25% discount on courses offered. The 25% discount was exclusive for one day only and almost all attendees participated in a free to enter raffle draw where exciting experiences from scuba diving to flying a micro light airplane were awarded live every hour.

Dr. Eli Abi Rached, Director of Eton Institute remarked: “We would like to thank our family of students and supporters for the best birthday bash ever. Everyone had such a great time with the festivities, prizes, discounts and, more importantly, heart-warming wishes on the day. We were all just like excited 4 year olds!”

The up to 25% discount on courses ranging from Languages, Computer Workshops and Teacher Training encouraged many first time visitors to the Institute who experienced first-hand, the positive vibe Eton Institute shares with its community of students and well wishers who were also present on the day. They also benefited from entering a FREE raffle draw conducted every hour by simply wishing Eton Institute a happy birthday in their native language for a chance to win one of the 12 different experiences handpicked by Eton Institute.

Elahe Danaei, a Persian student learning English at the Institute, who won the Canoeing Experience for 4, wrote in Farsi: “Happy Birthday lovely Eton! Wish you many more years of success.”

Other lucky winners included: Randa Baayoun (Power-parachuting), Olesya Hryhoryshyna (Flying a Micro-light Airplane), Boupad Hasnaa (Atlantis Aquaventure for 2), Annabelle Thiebaut (Private Horse Riding Lessons for 2), Marina (Water Skiing), Polina Kopytko (Para-sailing for 2).
