[Eton Institute to Host Free Workshop and Special Offers at GETEX 2010](#)

Dubai, 14 April 2010 – Eton Institute, a leading teacher training and language institute in the UAE, announced participation at the Gulf Education and Training Exhibition (GETEX), the largest education fair in the Middle East and Asia. In addition to sharing information about TESOL/TEFL, TFL and CTEYL teaching certification courses at their GETEX stand P164, the institute will be hosting a free workshop *'Training to be a Qualified Language Instructor'* on Saturday, 17 April from 4:00 PM - 4:45 PM. Highly qualified and experienced teacher trainers will also be available at GETEX throughout the four days from 14 April – 17 April to answer questions and provide career guidance for anyone wishing to enter the field of teaching.

Dr. Eli Abi Rached, Director, Eton Institute commented: "Teaching is one of the most satisfying and rewarding professions a person may choose. In addition to priceless intangible benefits such as an opportunity to mould students' lives and watch them overcome challenges, the acute shortage of qualified teachers has meant that certified and well-trained instructors are always sought after."

"GETEX" he added, "is an ideal platform where students may interact with world-class education providers and explore various career possibilities. We are proud of the role Eton Institute's teaching graduates have played in contributing to the education sector of the UAE, particularly for language training. The well-respected teaching certification programme has produced excellent teachers that are highly-skilled and qualified."

Eton Institute is the UAE's largest TESOL/TEFL training organization offering certification courses in TESOL/TEFL (Teaching English as a Foreign Language), TFL (Teaching a Foreign Language), CTEYL (Certificate in Teaching English to Young Learners) through classroom based, distance and online learning routes. In addition to guaranteed placement at the institute for at least one top graduate per batch, the institute provides invaluable job placement assistance and guidance services such as application advice and interview practice sessions for all students throughout their teaching career.

Eton Institute will be offering special subsidies of up to AED 2000 for their teaching certification courses exclusively at their GETEX stand P164 from 14 April – 17 April. They will also be conducting a free workshop *'Training to be a Qualified Language Instructor'* on Saturday, 17 March from 4:00-4:45 PM. For more information about the teaching certification special offers at GETEX or to register for the free workshop call **800-Eton (8003866)** today or email teaching@eton.ac . Visit www.eton.ac for the complete list of teaching certifications and workshops offered at Eton Institute.
